Impact

Sacred Heart Hospital on the Emerald Coast has been a vibrant part of serving residents and visitors on the Emerald Coast over the past 17 years. Our hospital has grown steadily to serve the needs of the community, and the players and supporters of the annual Charity Golf Classic have been an integral part of this success. Since 2002, the tournament has raised more than \$3 million for various expansion efforts, including the Olson Women's Diagnostic Center, the Family Birth Place, the Judy & Steve Turner Heart and Vascular Center, Cancer Center, and the Emergency Department.

The 2019 Charity Golf Classic proceeds are directed to the expansion of the Comprehensive Spine Program at Ascension Sacred Heart Emerald Coast. Proceeds raised will be used to purchase state-of-the-art, robotic surgical equipment for a new fifth operating room dedicated to the robotic spine program. The Spine Center surgeons perform more than 75 surgical cases each month.

The addition of a fifth operating room will enable Sacred Heart to accommodate a fourth orthopedic spine surgeon, and continue to provide world-class, high-quality spine care for even more patients in our community. "I'm proud to say that our community hospital has one of the premier spine programs in the nation", Roger Hall, president of Sacred Heart Hospital on the Emerald Coast, said. "We currently have four operating rooms that are at capacity, night and day, six days a week. I'm thankful for the generous donors who support our continued growth."
